

THE WASTED TIMES

We'd like to thank everyone who took the time to tell us how much they enjoyed the last issue. From the response we've gotten, we're going to try to keep up the new format. Please be patient with us as we learn how to make it more cost effective and how to increase photo quality.

We'd also like to thank those of you who have been sending in submissions. Keep sending them in! It's all of you who make the WT so great. If you'd like to write something, but don't quite know what, let us know. We'll give you some suggestions.

One final reminder. It's that time of year again. School has started so we'll be a little more busy than usual until we get back in the swing of things. Thanks for your patience.
