Q 91

Who'd have thought it would take someone else's video to get The Eagles back together again? Thirteen years after they were last seen in the same room, the ordinarily unobliging Don Henley, Glenn Frey, Don Felder, Timothy B. Schmidt and Joe Walsh posed as Travis Tritt's band for his version of Take It Easy, from the "tribute" album record-busting Common Thread: The Songs Of The Eagles, a two-million-seller in America.
